Originally from the Oregon Coast, Amy Swenson began her career as a Recruiter in the Human Resources Department at University Health Care System. While in Human Resources, Amy handled the full recruiting process for over 20 areas of the hospital, to include both clinical and administrative departments. She was able to attend several conferences and meetings with other HR professionals, learning what they looked for in candidates. Through her experience as a recruiter and coach, Amy discovered her interest in and talent for helping prepare students for their professional careers. She is available for resume critiques, interview preparation and mock interviews, assistance with job and internship searches, advice on salary negotiation, and professional etiquette guidance.
