

# AUGUSTA UNIVERSITY

November 2, 2022

To Whom It May Concern,  
XYZ University,  
123 Invented St.  
City, St, 830291

I'm using the *Crimson Text* font, *in italic*, **in bold**, *in bold and italics*. I am not using the "Augusta Grey" in this document, but could if I wanted to. I tried to follow the recommendations from [brand.augusta.edu](http://brand.augusta.edu).

This document uses `markdown`, a

plain text format for writing structured documents, based on formatting conventions from email and usenet.

The lists

1. can be numbered,
2. and are somehow compact.

Sincerely,

A large black 'X' mark is placed over the signature area, indicating that the signature has been redacted.

Clément Aubert, Ph.D.  
Assistant Professor in Computer Science
